

EXCALIBUR - ULTIMATE SERIES WATER SOFTENER

Quality through innovation

Ultimate Series Water Softener

Leave your hard water problems behind, with a system that's backed by the best warranty in the industry. The Ultimate Series Water Softener from Excalibur Water Systems works to soften your water and remove up to 10 ppm of clear water iron: twice as much as other water softening systems! Its modern design uses as little as 2.5lbs of water softening salt and 17 gallons of water per regeneration so there is less waste and greater savings.

On demand softened water

High flow control valve to satisfy all household soft water demands

Protect your home plumbing and appliances

Spend up to 80% less on cleaning products

Save up to 24% on energy costs

Soft water means clean, soft skin and hair

*This model is also available in cabinet design

Ultimate Series *Premium* and *Superior*

Part #	Capacity (kgr)	Pressure (psi)	Temperature (°F)	L x W x H (in)
EWS SU30BF / EWS SUS30BF	30,000	40-110	40-110	28" x 20" x 63"
EWS SU50BF / EWS SUS50BF	50,000	40-110	40-110	32" x 20" x 61"

Soft Water

If your home has hard water, there are many tell-tale signs you can look out for such as:

- Cloudy dishware
- Dry skin and hair
- Scale buildup on showerheads and plumbing fixtures
- Clothing is dingy and stiff no matter how much detergent you use

All of these hard water problems can be solved with the Ultimate Series Water Softener. Your dishware will shine, the life of your appliances will be extended and your clothes will be bright and clean. Choose a system you and your family can depend on for soft water with the Ultimate Series Water Softener from Excalibur Water Systems.

Ultimate Series Superior

An Ultimate Series Superior model is also available, with a black tank and unlimited 12-year warranty.

The Excalibur water softening resin is certified by WQA to NSF/ANSI/CAN 61, 44 and 372
