Soft Water

Having hard water can lead to numerous problems in your home like cloudy dishware, soap scum buildup and plumbing issues. All these issues can be fixed with the Value Series Water Softener. Soft water means:

- Soft skin and hair
- Spotless, clean dishware
- Bright, clean laundry
- The life of your appliances is extended
- No more hard water stains to clean

Choose Excalibur

Choose a system you and your family can depend on for soft water with the Value Series Water Softener from Excalibur Water Systems.

The Excalibur water softening resin is certified by WQA to NSF/ANSI/CAN 61, 44 and 372
